Great that you tagged up with Gabe and definitely set it up. I think at this point we may mostly need to talk to Marcia...

I think CC John and Diana - and we will see how the dynamics here tease out.

Andy,

I'll go ahead and look at schedules (you, me, Marcia, Mark and Mike -- anyone else?) for early next week so that we can get a meeting with Marcia. I did get a chance to speak with Gabe Salinas yesterday re: WF -- he worked on the case with Marcia and he provided some helpful background info, especially with the 3rd party audit, etc.

Thanks,
Laura

Mark-

This one slipped past you - that was last Friday! FYI, we did meet with Whole Foods yesterday and they seem anxious to engage. We will see where it goes. I do think we will want to hop on the phone with v'all soon just to get any additional insights. But at this point,
